

Tanka and Related Venues

This list was based off of the Tanka Venues list hosted at Tanka Central and approved for use by the Tanka Society of America developed by Denis M. Garrison. It is greatly expanded to include the abbreviations used in the *Take Five* anthologies. It is used by Keibooks in their publications. In the interest of making it easier to document and discuss tanka publications, other authors are invited to use the list. This list is maintained by M. Kei.
